Hobson's Choice Lecture

IBM Award-Winning magic from one of the busiest magicians in the world. Jeff Hobson gives out his most practical and workable effects. Effects include stage, close-up, kids and manipulation magic.

Ribbons Thru - A great audience participation effect where you cut-in-half three children at once.

Candle to Ball - A startling, visual quickie to add to your manipulation.

Red's Card Trick - Divide a pack of cards into four Royal Flushes without looking. A poker players dream!

Produktinformation

Caucasian Box - Playing cards dropped into a box disappear and so does the bottom of the box! A real fooler!

Kiss Card Trick - Hobson's twist on the classic.

Dime Store Salt Pour - Hobson's pet version of this trick made with a common gimmick and a few, inexpensive items that you'd never expect.
